

Dear parent/Carer,

In line with our Relationship and Sex Education policy, after half term we will be undertaking our programme entitled 'Journey in Love' with the whole school. This programme focuses on relationships.

The topics for each stage are:

- Nursery- Wonder at God's love
- Foundation 1 and 2- God loves each of us in our uniqueness
- Year 2- We meet God's love in the community
- Year 3 – How we live in love
- Year 4 – God loves us in our differences

Upper Key stage 2 will be using materials developed by Sister Dorothy, a school chaplain in Catholic Education. We have used this programme for many years now and it had very positive feedback from teachers, pupils and parents. Year 5 will be covering lessons on puberty and hygiene. Year 6 will have lessons on puberty, personal hygiene, conception and the growth of an unborn baby. All lessons are centred on the commitment and responsibility of family life.

You can view the materials on the school website.

Should you wish to withdraw your child from these lessons, once you have viewed the materials, please give reasons to the class teacher.

Thank you.
